**Dear Friends,**

It is a proud moment for the Polish community and the Archdiocese, of Melbourne when we come to the consecration of the Divine Mercy Shrine at Keysborough on Saturday, 22nd April.

The dedication of a church, makes it forever a holy place, where the powerful love of Jesus coming from his cross and resurrection will be available to all who suffer.

This is the first Divine Mercy Shrine in Australia, which will be open to all as well as the Polish. community with the celebration of Mass, constant prayer and Divine Mercy devotions.

With every good wish and blessing,  
Yours sincerely in Christ,
